Subject: Bike Accident Report – 22.01.2026

Respected Sir/Madam,

I would like to inform you that my motorcycle bearing registration number TN 83 M F 6270 met with an accident on 22.01.2026 at around 2:00 PM near Kethandapatti Sugar Mill, on the service road opposite HP Petrol Bunk.

Accident Details:

• Accident Time: Around 2:00 PM
• Accident Location: Service road near Kethandapatti Sugar Mill, opposite HP Petrol Bunk
• Reason for Accident: The accident occurred when a vehicle coming from the opposite direction turned suddenly and approached at a higher speed.
• Damage Details: The petrol tank and the front disk of the bike were damaged.

Regarding this accident, my motorcycle was kept at the police station until 05.03.2026. After settling the compensation amount with the injured boy involved in the accident, I retrieved my motorcycle from the police station.

Additionally, due to an emergency work commitment, I was out of location during that period, which caused a delay in collecting the vehicle from the police station. I kindly request you to consider this delay.

Photographs and other relevant documents are attached for your reference.

Kindly take the necessary action regarding the insurance claim for the above-mentioned accident.

Thank you.

Yours faithfully,

S. Manoj Gupta Sekar
